NON-COMMERCIAL SOUND LIBRARY LICENSE

Version 1.0 - May 2025

This license governs the use of the sound recordings ("the Sounds") contained in this repository and associated modules. By downloading, copying, modifying, or using the Sounds, you agree to the terms of this license.
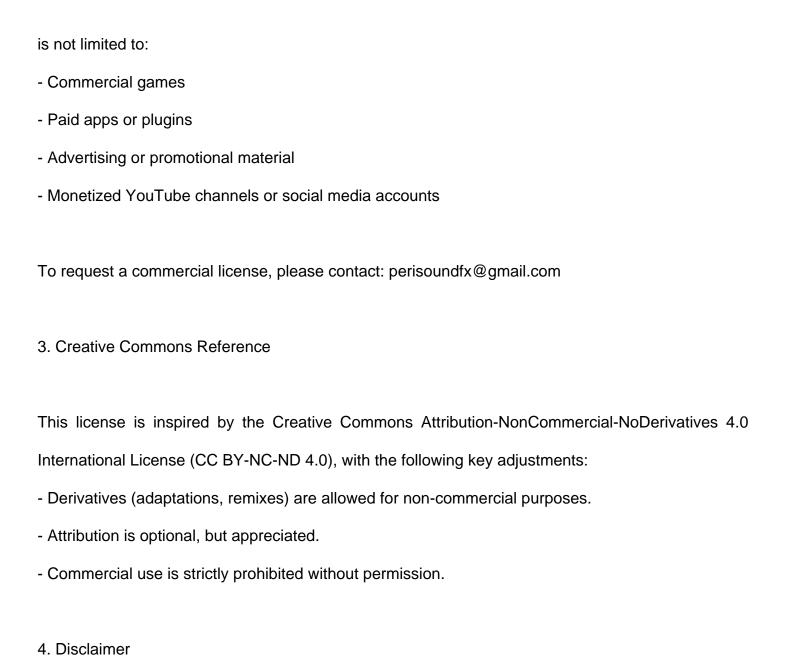

1. Permission for Non-Commercial Use

You are granted a non-exclusive, royalty-free, worldwide license to use, adapt, remix, and distribute the Sounds under the following conditions:

- Non-Commercial Use Only: You may use the Sounds for personal projects, educational content, games, videos, installations, performances, or any other form of media as long as it is not for commercial gain.
- Attribution (Optional): While attribution is not strictly required, crediting the creator (or linking to the repository) is appreciated.

2. Prohibited Uses

- Resale or Redistribution as Sound Libraries: You may not sell, sublicense, redistribute, or repackage the Sounds-modified or unmodified-as part of any sound pack, sample library, asset bundle, audio module, or similar collection or library, whether for free or for sale.
- Redistribution of the Modules: You may not redistribute this module or any part of it, including in any bundle, sound pack, plugin, archive, or library format.
- Commercial Use: Use of the Sounds in any commercial product, production, or context-whether directly or indirectly monetized-requires prior written permission from the creator. This includes, but

is not limited to:

- Commercial games

- Paid apps or plugins

- Advertising or promotional material

- Monetized YouTube channels or social media accounts

3. Creative Commons Reference

This license is inspired by the Creative Commons Attribution-NonCommercial-NoDerivatives 4.0 International License (CC BY-NC-ND 4.0), with the following key adjustments:

- Derivatives (adaptations, remixes) are allowed for non-commercial purposes.

- Attribution is optional, but appreciated.

- Commercial use is strictly prohibited without permission.

4. Disclaimer

The Sounds are provided "as is," without warranty of any kind. The creator is not liable for any claims, damages, or liabilities resulting from the use of the Sounds.
